

Newborn Connections

Your Resource for Pregnancy, Breastfeeding and Parenting

Pregnancy After Loss Support Group

If you are pregnant again after a loss, you may have unique emotional needs as you grieve your lost child(ren) while preparing for the birth of a new baby.

Our support group addresses in a safe, open environment, the concerns of bereaved parents who have started another pregnancy. Please join us to share information, feelings and support with other parents who are pregnant after miscarriage, stillbirth, infant death or the termination of a wanted pregnancy due to prenatal diagnosis. Partners are especially encouraged to attend.

Date/Time: 3rd Wednesday of each month

7 - 9 p.m.

Location: Newborn Connections' Library

3698 California Street, 1st Floor

San Francisco, California

Facilitator: Cherie Golant, LCSW (LCS19882), is the group facilitator. She is a licensed clinical social worker specializing in trauma and loss, and also a bereaved parent with two subsequent children.

Registration: This group is offered at no charge and on a drop in basis. Please call Newborn Connections at (415) 600-2229 or email cpmcnewborn@sutterhealth.org for more information.
